THANKS GIVING TO HER EXCELLENCY PRESIDENT OF INDIA

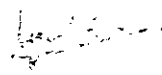

It is a joy and privilege, Your Excellency, to thank you and your spouse for your auspicious presence in Lakshadweep and for inauguration of the E-governance "SWAN" project. We are confident that these remote islands will be digitally integrated between themselves and with the mainland India.

It is also very auspicious for us that your family members are present amongst us today. Our heartfelt thanks go to them. I have also thanks to the esteemed officers in the entourage of the President of India, for their august presence. My thanks go to Indian Airforce Officers and Officers of the Defence Services for their role in the success of the event.

My thanks go to the Hon'ble Member of Parliament, President of District Panchayat, Village Panchayat Chairperson and other elected members. I also thank the representatives of various political parties for their august presence in the event.

I whole heartedly thank all the Heads of Departments and their staff members for their untiring efforts to make these occasions successful.

Lastly, but not the least, I thank all those whom I could not mention due to time constraint, but who made their valuable contribution for success of the event.
